

September School Holiday Activities 2018

<p>FREE! What's happening to our coastline? What's happening to our coastline? Recent changes at the Inverloch surf beach have prompted plenty of discussion about natural processes, whether our coast will return to its former profile, and what impact climate change is having. Local geographer Aileen Vening will describe and explain what natural processes are occurring, and discuss evidence of climate change.</p>	<p>Friday 28 Sept 2-3.30 pm</p>
<p>Rockpool Ramble Be amazed as you explore our shores and discover our spectacular rockpool wildlife. Seastars, crabs, marine snails, colourful seaweeds and sponges are among the rock platform diversity to be seen with your expert marine guide.</p>	<p>Sunday 23 Sept 2-4 pm Friday 5 Oct 12.30 – 2.30 pm</p>
<p>Astronomy - Dancing With The Stars See stars and planets through astronomical telescopes. Learn about apps used to navigate the skies. Bring your own astronomy gear and binoculars if you have any. In the event of cloudy weather this activity will be go ahead as an indoor astronomical research activity in the discovery room.</p>	<p>Monday 24 Sept 7.30-9.30 pm</p>
<p>Dinosaur Discovery – At The Caves Rock Platform Come and learn about the dinosaurs that once roamed the Bass Coast area and join the hunt for dinosaur fossils. See the dinosaur footprint, earthquake fault lines, volcanic lava and petrified trees from the age of the dinosaurs. Rock breaking hammers supplied, or BYO. Bonus cave exploration: bring a torch!</p>	<p>Sunday 23 Sept 3-5 pm Monday 24 Sept 3.30 – 5.30 pm Saturday 29 Sept 9-11 am Mon 1 Oct 10 – 12 pm Wednesday 3 Oct 10-12 pm Thursday 4 Oct 10 – 12 pm</p>
<p>Dinosaur Discovery – At Flat Rocks A special expedition to Flat Rocks to search the fossil layer there. See earthquake fault lines, volcanic lava and giant petrified trees.</p>	<p>Sunday 30 Sept 9-11 am</p>
<p>Dinosaur Discovery – At Eagles Nest A special expedition to Eagles Nest to see the site of Australia's first dinosaur bone discovery. See earthquake fault lines, petrified trees and join the hunt for dinosaur fossils with an expert palaeontologist.</p>	<p>Tuesday 2 Oct 10-12 pm</p>
<p>Wildlife Spotlighting Explore the night for our local nocturnal wildlife. Spotlights supplied, but bring your own torch as well.</p>	<p>Sunday 23 Sept 6.30 – 8.30 pm</p>

Tickets are now available at www.sgcs.org.au

The fine print

All ticket sales are on line. If we don't sell enough tickets to cover our costs we will cancel the activity and email you. Our program is constantly evolving - please keep an eye on the website for changes and extra activities. Thanks for your interest!
